PWCCA Updated COVID19 Procedures and Trial Info

PWCCA (Pembroke Welsh Corgi Club of America) & LUDS (Level Up Dog Sports), have put in place the following procedures for our agility trial at LUDS for the safety of our exhibitors and adherence to government, state, and CDC ordinances and guidelines.

MASK REQUIREMENT

If you are fully vaccinated against Covid-19 you do not need to wear a mask inside the building, or at the trial site, but it is highly recommended.

If you are NOT vaccinated against Covid-19, masks must be worn at ALL times including when running your dog. Masks must fully cover your mouth and nose. You may remove your mask outdoors and away from the building if needed. Please practice social distancing at all times when you are inside the building.

YOU DO NOT NEED TO SHOW PROOF OF VACCINATION.
This is a LUDS requirement for their classes, not events.

Rules and guidelines are subject to change and we will keep you updated with any changes that occur prior to the trial.

There will be paper course map copies. We will be using the Remind app to send mass text message reminders and the Agility Gate app for an electronic gate. **REMEMBER:** Remind and Agility Gate are only electronic aides.

Exhibitors are still responsible for arriving on time for their walk-thrus and runs.

- If you plan on crating from your vehicle, please park so your exhaust does not go into another vehicle
- Bring your own beverages, meals, and snacks.
- **One way entry/exit** as follows: Enter the building on the parking lot side and exit on the other side where the street goes between the buildings.
- We will be lining up the next five dog & handler teams to run. Please respect each teams space in the queue. Exhibitors are responsible for arriving on time for their walk-thrus and runs.
- LUDS will sanitize equipment and LUDS will disinfect all surfaces, including the floor and equipment, before the event and after each day of the event using EPA-registered disinfectants.
- **Gate sheets** - check-in using the Agility Gate app. There will be a preliminary running order on our website prior to the trial.
- **Trial Results** will be posted on a wall for viewing.
- **Volunteers** – There will be a whiteboard for worker sign-up at the trial and a raffle at the end of the day for all workers!
- **Briefings.** There will be briefings before each class. You do not need to come into the ring for the briefing.
- As per AKC guidelines... “Exhibitors may choose to place leashes in their pockets or wear them (around waist, crossbody, etc.) during their runs. If the dog grabs the leash the run will be scored as an “E”. If the leash falls out of the handler’s pocket, or off of their body, there is no call unless the dog grabs the leash”.

APPS to Help Keep Exhibitors Informed.

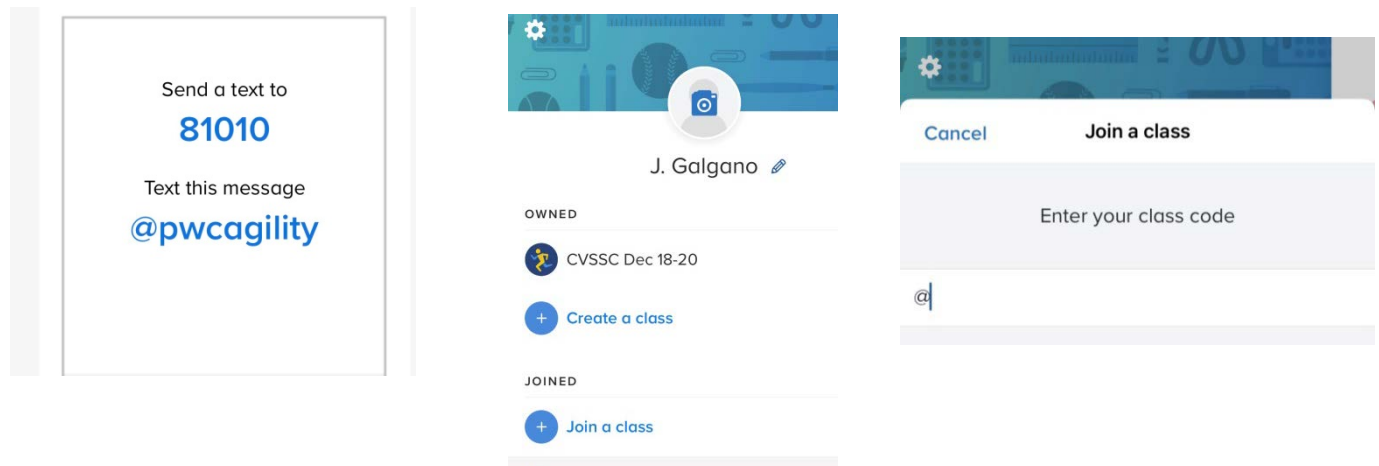

We will be using two apps to help manage the trial. Remind and Agility Gate. Please download Agility Gate and remind to your devices. **Please keep in mind that these apps are only an aid.** Exhibitors are still responsible for arriving on time for their walk-thrus and runs.

REMIND APP

We will be using the Remind app during the weekend to send announcements in order to keep exhibitors informed. Please use the following link to download the Remind app on your phone: [here](#)

If you add the app to your phone and make an account (select parent as role), you can manually join the class by using the class name "PWCAGILITY".

You can also join by sending a text to the phone number 81010. Text this message: @PWCAGILITY

AGILITY GATE APP

We will also be using the Agility Gate app. This allows exhibitors to check in for their runs through the app and to follow along by looking at the gate sheets as dogs are crossed off when they run. To use the Agility Gate app, please download it from the Apple App Store or the Google Play Store.

Using Agility Gate you can:

- Check in your dog / Mark your dog ABSENT / Mark a CONFLICT
- Follow in real time to see who is running in the ring using the running order. On the app you can see as the gate steward marks each dog on the line the same way you would see it on the paper gate sheets. You will be able to see the whole gate sheet to know how many dogs before your run or how many dogs are left in that class.
- **NEW:** You cannot check-in until 6 am on the morning of each trial day. This is a precaution so people do not check in and then forget to mark themselves absent if they decide to not run.
- *The Agility Gate code will be emailed out closer to the trial*

Please visit: <http://agilitygate.com> before the trial to see how it works. Watch the video on the site to see it in action.
